Toddler & Preschool Summer Camp 2017

Welcome!

Our campers have the opportunity to expand their horizons during the summer, embarking on new adventures, and having fun! Our exceptional program and dedicated staff create an environment that forges lifelong friendships among our campers. We create a summer experience that is unforgettable!

It all starts with our outstanding Montessori experienced camp counselors. A camp is only as good as its staff, and we are extremely proud of ours. Talent, creativity, love of children, leadership and devotion make our teachers the heart and soul of the program. Our counselors carry their Montessori expertise through to our camp program doing exactly what they enjoy most: spending a summer inspiring campers to explore, reach for new heights, and expand their horizons.

Montessori Country Day School Summer Camp includes five days of activities, from 7:00 am – 6:30 pm. We offer 1.5-5 year olds a range of outdoor activities, plus indoor activities conducted in our fully air conditioned facility.

Our little detectives strengthen their problem solving skills through group projects and peer interactions that encourage positive relationships.

Move It! Mix It! Mess it! Do it!

Messy science experiences are the best kind. Our campers get their hands dirty to create homemade play dough, "oobleck," 3D sand art, and more.

Storybook Summer

Dragons, fairies, superheroes, oh my! Campers go on a magical adventure as books come to life through song, dance, and dramatic play.

Treasure Hunters

Campers set sail on a pirate-themed voyage. They build pirate ships, search for hidden treasure, and even test their balance and coordination skills by walking the plank.

Color Me Happy

Explore the wonderful world of color! From painting, to sculpting, to drawing and more, campers mix colors and let their creativity run wild.

Mysterious Mixtures

Campers practice a variety of kitchen skills while creating delicious concoctions. Along with habits of self-help and good nutrition, they learn important academic, social and physical skills.

Fossil Find

Learn all about the mysterious lives of dinos and the scientists who study them. Campers read stories about pre-historic life, dig for fossils, and use clues to uncover dinosaur eggs.

Hiding in the Garden

Campers investigate all aspects of Mother Nature including weather, bugs, and habitats. Their green thumbs will be put to the test as they create their own mini gardens and learn about the life cycle of plants.

What's beyond the moon?

Get ready for an amazing exploration of space. Campers embark on an imaginative journey to the moon and back, as they learn more about our solar system through dramatic play, art, stories, and more.
