

Fall 2019

Dear Willow Students,

My name is Mrs. Cohen and I am so excited for you to become a part of our Willow community. This year we will continue to have Mrs. Pereira assisting our classroom. She is officially a trained Montessori teacher and a treasure to have. In addition we will have Mrs. Shetty assisting our class in the morning as well. Mrs. Shetty is a trained Montessori teacher who is excited to help educate all the Willow friends. Together we are going to have so much fun learning how to be kind and respectful friends as well as learn about the world around us. In the classroom we will learn how to take care of our environment and take ownership for our actions. As always once we have learned how to concentrate on our work, we will be able to learn how to read and write and complete complex math problems.

This summer I had the pleasure of meeting many of our new Willow families. For the families who did not join us for summer camp, we welcome you with open arms. I hope you had an amazing summer and cannot wait to hear all about it.

Looking forward to fabulous school year!

Mrs. Cohen

P.S.

To the Students-

Please leave all your favorite toys at home. I want them to stay safe and not get lost in our classroom. However, We will be starting a book club where you will be able to introduce your favorite books to your Willow Class friends.

To Parents-

The best way to get in touch with me is by email. My email is

Melissa.Cohen@nkcinc.com
