### ***Ideas for Montessori at Home***

Doing Laundry—training to wash, dry, fold, and put away own laundry

Cooking meals

Home organization

Art

Reading—reading to self, reading to parent, reading together

Draw a map of your room or house and label everything

Doing dishes

Make a botany map of your backyard. Place each plant on the map and label with common name

Write a review of a movie or show you saw. What did you like or not like?

Write a letter to friend or family member

Help plan family vacation. Research landmarks, geography, and map out the route you will take

Graph things like what time you go to bed, how many pages you read each day, how much water you drink in a day, etc..
